## SAYS FAITH AND HOPE CAN HELP SOLVE ISSUES

Mrs. Lynn Hunter, Altoona, third vice president at large of the Pennsylvania Federation of Women's Clubs, and Mrs. Isaac C. Lehmer, Dillsburg, vice president of the South Central District were speakers Friday afternoon at the fall luncheon meeting of the Adams County Federation of Women's Clubs at the Hotel Gettysburg.

Mrs. Hunter, a past president of the Altoona Women's Club which won a \$5,000 award for its community achievements during her presidency, told the group "there are no panaceas to solve the world's problems immediately, but there can be remedies and solutions if we bring faith and hope into our attempts to solve some of the problems. The World Federation of Women's Clubs offers us suggestions for better ways of living and new ideas to help stipulate us so that we will think and work toward an eventual cure of world problems.

"As we now work as members of local, state and national groups to promote our educational, social and moral obligations, we must also remember our first duty is to our homes and families and then to the good we can do in our community."

**Urges Active Members**  
She told of efforts to combat juvenile delinquency by the Altoona club. "The biggest problem is the girl delinquent whose offenses are moral rather than criminal. Patience has been the foremost requirement in helping these girls."

## Runs Into Stopped Auto This Morning

Cars operated by local college and and seminary students collided at 12:15 o'clock this morning nine miles north of here on the Harrisburg Rd. a short distance north of Heidlersburg when the college student's car broke down.

State police said Charles William Richter, Baltimore, a Gettysburg College student, was headed south when his car broke down and stopped on the south lane of the highway.

John Allen Roshon, 22, Johnstown, the seminaryman, according to police was also driving south, and failed to notice the parked car in time. His car struck the left rear fender of the Richter vehicle.

Damage was estimated at \$25 to the parked car and \$50 to the south-bound vehicle.

## HOLD MEMORIAL SERVICE FOR 3 FORMER REGENTS

Dr. Frank H. Kramer, professor emeritus of education at Gettysburg College, was the speaker for the first full meeting of the Gettysburg Chapter, Daughters of the American Revolution, held Friday afternoon at the YWCA building, Lincoln Square.

Dr. Kramer spoke on "Chinese Carved Jade" and supplemented his talk with a sound film in color showing Chinese lapidaries at work carving a piece of jade.

Ronald Ditzler, accompanied by Ann Jordan at the piano, presented two vocal numbers. He sang "No Man Is An Island" and "Time Goes On." Ditzler wrote the music for the second number and the lyrics are by Sidney Weikert. Both are students at Gettysburg High School.

**Hold Memorial Service**  
A memorial service was conducted by the chapter chaplain, Mrs. Wilmer E. Gross for three deceased members of the local chapter, Mrs. Homer N. Young, Mrs. J. Ellis Musselman and Mrs. C. H. Hett. All were former regents and Mrs. Young was a charter member of the chapter.

During the business session, Mrs. Harold T. Reuning, the regent, presided. The chapter adopted the annual budget which includes contributions to DAR-approved schools and a scholarship to St. Mary's School for Indian Girls as well as contributions to the Gettysburg YWCA, the Adams County chapter of the Red Cross and the Gettysburg Fire Company.

Miss Elsie Eisenhart, chairman of National Defense, presented a summary of resolutions adopted by the national society. It was announced the chapter will hold a Christmas dinner for Tamasee, a DAR school, at the November meeting. Co-chairmen for Friday's meeting were Miss Alice Black and Mrs. Reuning.

The next meeting will be held at the Gettysburg Country Club on Friday, November 1, at 7:30 p.m. Co-chairmen for the meeting will be Mrs. J. Kermit Heretier and Mrs. Kenneth P. Hull.

## CONTINUE HALF SESSIONS

**MOSCOW (AP)** — The Soviet Union announced today it has launched the earth's first man-made satellite 560 miles out in space and it now is circling the globe at tremendous speed.

The dramatic claim that Russia had beaten the United States in the satellite race came in an announcement saying the artificial moon was launched yesterday by multiple-stage rockets. The site of the launching was not given. The instrument-laden globe was described as 23 inches in diameter and weighing 185 pounds. The announced weight is about nine times that of a projected 22-inch U.S. earth satellite.

**Sending Radio Signals**  
An announcement by the official agency Tass said the moon was circling the globe every hour and 35 minutes. It transmits radio signals back to the earth as it hurls along.

The launching came just three months and four days after the opening of the International Geophysical Year (IGY), a concerted program by the world's scientists to learn more of the earth's secrets.

## MISS NOEL IS BRIDE FRIDAY OF P. STALEY, JR.

Miss Dolores Elizabeth Noel, daughter of Mr. and Mrs. Harry D. Noel, E. York St., Biglerville, and Paul Staley Jr., son of Mr. and Mrs. Paul I. Staley, Gettysburg R. 2, were united in marriage Friday evening at 7 o'clock in a candlelight ceremony at the Heidlersburg United Brethren Church, by the Rev. Arbie Dorsey, pastor of the bride. The double ring service was used.

The church was decorated with yellow and white mums, bronze pompons, palms and candelabra. The traditional wedding march was played. Dale Roth, York Springs, accompanied by Miss Esther Howe, Gardners R. D., organist, sang "I Love You Truly," "Because" and "The Lord's Prayer" during the ceremony.

The bride wore a blue wool, knit dress with pearl necklace and earrings and mauve-pink accessories. She carried a white Bible, the gift of the groom, topped with a white orchid from which fell satin streamers with fern and baby-breath cuttings.

**Two Attendants**  
The matron-of-honor was Mrs. Maynard Day, Gardners, sister of the bride, who wore a beige wool knit dress with shaded brown accessories and a bronze pompon corsage.

Clarence Uiz, Gettysburg R. 1, was the best man.

The bride's mother wore a gray crepe dress with black accessories and a pink and white pompon corsage.

The mother of the groom wore a navy crepe dress with pink accessories and a pink and white pompon corsage.

**Reception Follows**  
Following the ceremony a reception was held at the home of the bride with 30 guests present. The bride's table was decorated with a three-tier cake topped with a bride and groom.

Mr. and Mrs. Staley left on a wedding trip. Upon their return they will reside at the home of the bride. For her going away outfit, Mrs. Staley wore a charcoal gray wool dress with black accessories and an orchid corsage.

Mrs. Staley is a graduate of Biglerville High School and is employed by the Keystone Ceramic Corporation at Bendersville.

Mr. Staley attended Gettysburg High School and later spent four years in the United States Air Force. He, also, is employed by the Keystone Ceramic Corporation in Bendersville.

## Abbottstown Man Hurt In Hanover

Edward S. Krout, 72, Abbottstown, was injured shortly before noon Friday when he walked into the side of an automobile while crossing Carlisle St., at College Ave., near Center Square, Hanover. He was admitted to the Hanover Hospital with lacerations of the head, brush burns of the face and body and a possible concussion.

Hanover police said Krout walked into the side of a car driven by Richard Weikert, 22, Hanover. He was taken to the hospital in the Hanover Fire Co. ambulance. Damage to the car was slight.

## MSGR. SCHMIDT ASSIGNED FULL TIME TO BOARD

The Most Rev. George L. Leech, D.D., bishop of the Diocese of Harrisburg, announced today that effective October 11, Monsignor Joseph Schmidt, pastor of St. Patrick's Church, Carlisle, will devote his time exclusively to the expanding work of the Mission Board of the Diocese of Harrisburg. He has been relieved of his pastoral duties at St. Patrick's Church, Carlisle. Monsignor Schmidt will reside in Harrisburg at the home of his two sisters, the Misses Genevieve and Margaret Schmidt.

Other appointments announced by Bishop Leech are: Rt. Rev. Msgr. Roy C. Keffer, pastor of St. Theresa's Church, New Cumberland, to dean of Cumberland, Franklin and Perry counties; Rev. Bernard V. Mattern from pastor of Sacred Heart Church, Cornwall, to pastor of St. Patrick's Church, Carlisle; Rev. Matthias E. Siedlecki from pastor of St. Thomas More Church, Northumberland, to pastor of Sacred Heart Church, Cornwall; Rev. Anthony J. McGinley from assistant pastor of Our Lady of Mt. Carmel Church, Mt. Carmel, to pastor of St. Thomas More Church, Northumberland; Rev. Richard J. Zimmerman from assistant pastor of St. Patrick's Church, Carlisle, to assistant pastor of Our Lady of Mt. Carmel Church, Mt. Carmel.

**Graduate Of Mount**  
Monsignor Schmidt is a native of Harrisburg. He is the son of the late Bernard and Carolina Schmidt. He attended Mount Saint Mary's College and Seminary, Emmitsburg, and ordained a priest on May 18, 1918, by the late Bishop Philip R. McDevitt. He organized and was appointed diocesan director of the Society for the Propagation of the Faith on June 1, 1924, and in 1926 founded the Mission Board of the Diocese of Harrisburg. From its beginning, Monsignor Schmidt has been executive secretary of the board, the diocesan agency which finances the construction of parish and diocesan buildings.

In 1940, Monsignor Schmidt was appointed pastor of St. Patrick's Church, Carlisle. In 1947, he built a parochial school at St. Patrick's, Carlisle. In 1948, St. Bernard's Mission Church, New Bloomfield, was established and in 1950 he had the Chapel of St. Eleanor Regina at Pine Grove Furnace built for summer vacationists. At the time of his appointment as pastor of St. Patrick's Church, he was also appointed Dean of Cumberland, Franklin and Perry counties. In 1943, Pope Pius XII named him a domestic prelate and in 1954 the Pope appointed him a prothonotary apostolic.

**YOUTH IS STRUCK BY TRUCK FRIDAY**  
An 11-year-old student was injured and a house and truck damaged in an accident at York Springs Friday morning at 10:30 o'clock.

State police said Ronald Wise, York Springs R. 1, darted from behind a parked car and Fred William Sowers, 41, Gardners R. 1, driving a truck, was unable to avoid striking the child.

The youth suffered a bruised right foot and was treated by Dr. William Flickinger. Sowers' truck went out of control and crashed into the home of Emory S. Guise, York Springs.

Police estimated damage to the house at \$2,000, and to the car at \$300.

## DIVORCE APPROVED

The suit for divorce filed by Betty M. Steiner, Harrisburg, against Francis R. Steiner, Littlestown R. 1, charging indignities, was approved Friday in Dauphin County Court, Harrisburg, and a final decree will be issued upon payment of all costs. The couple was married August 31, 1947, at Silver Run, Md.

## Rockefeller Declares Little Rock Disturbance Caused Damage To Industrial Plans

LITTLE ROCK, Ark. (AP) — Winthrop Rockefeller, member of the great financial clan and an Arkansas business and political leader, said last night that the Little Rock integration crisis has damaged the state's plan to bring in more industry.

"It will be six months before we can accurately estimate the damage that has been done—and damage there has been," he said in a press statement from his palatial home 65 miles northeast of here. He repeated his views on a television program.

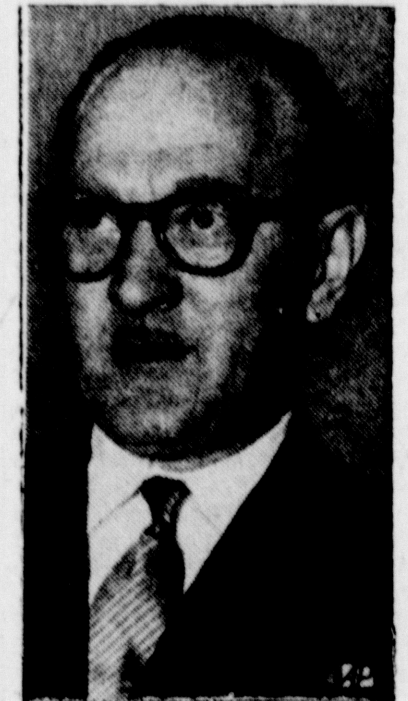

Meanwhile, Arkansas' Gov. Orval Faubus, focal point of the racial dispute swirling around Little Rock's Central High School, compared himself with Gen. Robert E. Lee, hero of the Confederacy.

**Only One Incident**  
"Lee was offered command of the Federal Army in 1861," the governor said. "Lee decided to remain loyal to the people of his state (Virginia). The Democratic party of the North wanted me to go along with them on the integration issue. I will remain with the people of Arkansas."

## FARM INCOME \$20 MILLION HERE LAST YEAR

Adams County's farmers had gross income of \$20,843,761 during 1956, according to the annual crop and livestock report prepared by the Pennsylvania Department of Agriculture.

According to the report, "this is the first attempt on the part of the Pennsylvania Crop Reporting Service to develop county estimates for cash receipts by Pennsylvania farmers." The report says the gross income figures for the counties were based upon a calendar year, with the data used being estimates obtained from the Pennsylvania Crop Reporting Service, 1954 Census of Agriculture figures, information compiled by the Agricultural Marketing Service of the U. S. Department of Agriculture, the state office of the Agricultural Stabilization and Conservation committee of the U. S. Department of Agriculture and "the judgment and opinions of experts on the various agricultural enterprises of the state."

The state department concludes that the figures it presents provide "a fair picture of the sources of agricultural cash receipts and their relative importance."

**Fruit On Top**  
The report lists fruit as the "first enterprise" of Adams County, with farmers receiving 30 per cent of their income from it; livestock is second with 20 per cent of the farmers' income coming from it; poultry is third high in importance, providing 19 per cent of the county's farm income; dairy is fourth, providing 15 per cent of the farm income and field crops fifth with 13 per cent of the farm income from such crops. Other farm enterprises brought in three per cent of the county's farm income.

The average Adams County farm had a gross income of \$8,773 according to the report which showed Adams County farmers as among the higher income recipients in the state. The average income per farm for the entire state was \$5,731.

**Adams 9th On List**  
Only in eight counties of the state was the average income per farm higher than the income listed for Adams. Top county for farm income per farm was Montgomery, where the average was \$14,509. Lancaster, Chester, Delaware, Philadelphia, (Continued On Page 3)

## To Make Pictures On Chest Members

The Gettysburg Photographic Society at its October meeting Friday evening accepted a request from the Gettysburg Community Chest to prepare a series of slides on activities on the member organizations for use in next year's fund-raising campaign.

Members also made plans to enter prints in the annual photographic salon to be conducted November 3 to 29 at Hagerstown by the Washington County Museum of Fine Arts.

There were six prints entered for the monthly competition by members on a previous double-printing assignment. Dr. C. A. Sloat and David Garfinkle tied for first honors and Dr. Frank N. Hewetson placed second.

Highlight of the meeting was an illustrated lecture by Dr. Charles A. Sloat on "The Idea Picture." He spoke on developing ingenuity and creativeness to produce the unusual print.

Mr. and Mrs. Edward Stine were hosts for the meeting which was held at the Adams Electric Cooperative building.

## BOOK BUYING DELAYED BY LIBRARY BD.

Increasing circulation and services, the urgent need for more books and additions to the present staff were problems discussed by the board of directors of the Adams County Free Library Friday evening at their October meeting at the main library on E. High St.

A motion to direct the librarian, Mrs. Mary S. Wilson, to buy \$500 worth of new books immediately was defeated — chiefly because there is no money in sight to pay for them. Financial reports submitted Friday evening indicated the library may have enough money to meet operating expenses to the end of the year — but there is as good a chance that the money may not hold out and those who voted against the book-purchase motion could see no prospect of any margin to cover the books.

Dean Asquith, Biglerville, a former board president who proposed the motion to buy books, held that books are the "first concern" of the library and said that "if we don't have enough books, there's nothing to justify our continued operation. If our heating plant breaks down, we'll have to meet it as an emergency but if we don't have books for our patron it may not be

## ANGRY POLISH STUDENTS FIGHT COPS IN WARSAW

By COLIN FROST  
WARSAW, (AP)—Angry students and other Poles battled police, security troops and militia in Warsaw's streets last night in the second violent antigovernment demonstration in two days.

The street battling rolled up to the doors of Communist party headquarters, where the central committee was reported in emergency session, before the demonstration was smashed.

Unlike the fighting of Thursday night, which was confined to an area around the Polytechnic school, the violence this time spread to three sections of Warsaw. And for the first time, other Poles joined the 2,000 students in their defiance of government force.

The demonstrators hurled bricks and shouted "gestapo, gestapo," a reference to the Nazi secret police. They tossed back tear gas bombs thrown by the police.

Government forces beat the demonstrators with rubber truncheons, scattered them with tear gas and noise bombs and finally restored order after five hours of fighting.

No figures were available on the number of demonstrators arrested and injured. Many were rushed to hospitals in ambulances.

The rioting began after students had met peacefully and demanded the return of P. P. Prosz, a student newspaper banned Wednesday.

The paper had become a symbol of the limited freedom won by Poles when Wladyslaw Gomułka was restored to Communist party leadership a year ago. The government shut down the paper, contending it had gone too far in its criticism of Stalinism.

## PRANK FATAL TO SCHOOLBOY

MOUNT VERNON, N.Y. (AP)—A 14-year-old boy was killed by a New York Central Railroad train Thursday — the victim of a prank played on him by two school chums.

Police gave this account: John Daly Graham, Scarsdale, N.Y., was waiting on the station platform with two friends to transfer to an express train to Scarsdale.

Graham's friends grabbed his books, ran across the rails, climbed a wire fence separating the tracks, left the textbooks on the opposite platform and returned.

Graham ran to the opposite platform, scooped up the books and started back. He apparently was unaware that a northbound express was bearing down on him. The two friends, not identified, were taken to a hospital suffering from shock.

### KILLED BY CAR

CARLISLE, Pa. (AP)—Five-year-old Gary Lee Hackett was killed by an automobile Thursday as he was crossing a highway near his home. The boy had crossed the highway to a mail box and was returning home when the automobile appeared over the crest of a hill and struck him.

### SUCCEEDS HUSBAND

Four local women attended the annual fall district meeting of the Women's Society of Christian Service Friday at the Fifth Street Methodist Church in Harrisburg along with more than 300 other women. There were morning and afternoon sessions. Principal speaker was Mrs. T. T. Brumbach, secretary of mission education for the Northeastern Jurisdiction. Her subject was "Japan, the Key to the Orient." Local women attending were Mrs. Richard Naugle, Mrs. Newell Carey, Mrs. Richard Deaneer and Mrs. Milton R. Remmel.

Dennis R. Small celebrated his fourth birthday at a Halloween style party Thursday evening at the home of his parents, Mr. and Mrs. Harry R. Small, 132 Gettys St. Among those present were: Dianne Small, Donna Shriver, Kathy, Vickie and Patty Rinehart, Marilyn, Eddie and Neil Rothaupt, Jimmy Munshour and Ricky Lillard, Mrs. Chester Shriver Jr., Mrs. Boyd Rinehart, Mrs. Lloyd Rothaupt, Mrs. James Munshour, Mr. and Mrs. John Snyder, and Mrs. Bertha Small.

Gifts were received and refreshments served.

Nancy Mallow was elected president of Senior Girl Scout Troop 21 at a meeting at the Girl Scout office Thursday with Miss Marian Shears in charge as leader assisted by Senior Program Aide Debbie McCullough. The other officers named included Bonnie Keefe, vice president; Mary Beth Hughes, secretary; Jean Tarantina, treasurer, and Paula Kargas, historian.

The troop made plans to go roller skating October 18 and to hold a Halloween party at Camp Happy Valley November 1. They also decided to make favors for guests at the county home on St. Patrick's Day.

There will be a special business meeting for the troop October 10 at 6:30 o'clock in the social room and a regular meeting October 17 at 6:30 o'clock with Mrs. M. H. Nichols to speak on the latter date on requirements on senior scouting and the council set-up. Girls are asked to wear uniforms and bring their senior scout books to that meeting.

The Women of the Moose of Gettysburg will mark "Christmas in October" at their meeting at the lodge home on York St. next Tuesday evening at 8 o'clock. Members are asked to bring presents for Mooseheart and Moosehaven. Gifts for Mooseheart should be suitable for children between the ages of six months and 18 years. Elderly men and women are at Moosehaven.

An initiation of new members will be held and officers, escorts and committee chairmen are asked to wear white gowns.

The pre-school study group, the newest section of the Gettysburg PTA, will have its first meeting next Wednesday at 8 p.m. in the Keefeauver lounge Mrs. J. B. Collins will discuss "Kindergarten." A baby-sitter training project to be sponsored by this group will be explained by Mrs. Donald Weaver.

Mrs. George Ewing will review the child study article from the National Parent Teacher, "Cradle Keepers Rock, Roll and Bang." All parents in the area with pre-school age children are invited to attend and become PTA members.

The Tuesday Afternoon Bridge Club will meet Monday afternoon at 1:30 o'clock at the Green Parrot Tea Room, Emmittsburg, Md.

Mrs. Forrest Craver, 8, Washington St., is attending the Penn State division of the American Association of University Women board meeting in Bradford, Pa. Mrs. Craver is state international relations chairman of the AAUW.

Intermediate Girl Scout Troop 42 met Friday afternoon at St. James Lutheran Church. Plans were made for a Halloween party to be held October 25 at Camp Happy Valley. Patrol 4 will be the clean-up committee and patrol 2 will be in charge of entertainment. The game "taxi cab" was played during the meeting. Leaders present were Mrs. Paul Newman and Mrs. Ralph Bream and assistant leaders, Julia and Sue Newman.

Mrs. Lawrence Eckert and Mrs. George Rosensteel, National Museum, spent Friday afternoon in York.

The United Lutheran Church Women of Christ Church will hold a mission study Thursday from 10 a.m. to 3 p.m. at the church with a luncheon to be served at noon. Miss Yoko Ishikawa, a Japanese student at Gettysburg College, will conduct the devotions. Mrs. Charles Hauser, Harrisburg, will be the speaker and discussion leader for the five-hour session. Reservations for the luncheon are to be made with Mrs. J. L. Kaltreider by Monday evening.

Mrs. Leon Peele, Abokile, N. C., has returned home after spending the last week with her brother and sister-in-law, Mr. and Mrs. Robert Shriver, 19 Fourth St.

Mr. and Mrs. Marlin Fisel have moved from 260 E. Middle St. to 23 Fourth St.

ADVERTISE IN THE TIMES

## BOOK BUYING

(Continued From Page 1)

there were 25 books on the bookmobile for young readers with eight elementary schools yet to visit. She said books were taken from main library shelves to supply bookmobile needs with the result that loans at the main library have had to be limited.

Book loans at the main library have increased at the rate of 50 a day over last September and Mrs. Wilson attributed much of the increase to the re-opening of the High Street school building and the large number of Keefeauver school children who visit the library at the noon hour. An extra charging desk has had to be set up to handle the noontime rush, she said.

Circulation Has Grown  
With no school circulation figures in for September, circulation at the main library, the branches and book stations jumped to 5,036 as compared with 4,189 last year. Of the total 4,065 of the loans were made at the main library.

Mrs. Wilson said a recent survey of library service here showed county circulation mounted by 122 per cent from 1945 to 1956 while main library loans jumped 216 per cent and the size of the staff went up 25 per cent. Mrs. Wilson said the 117 registrations of new library users in the last month was the highest for any month in years.

The serious shortage of personnel at the library came in for discussion and the board agreed the staff's salary schedule should be reviewed before the 1958 budget is prepared.

Pay \$1,713 In Bills  
Chief receipt items for the last month were \$73 in fines and replacements \$800 from the Gettysburg Town Council, \$308 from the county appeal for funds mailed a month ago and a quarterly payment of \$812.50 from the Community Chest. Bills for the month totaling \$1,713 were ordered paid. The financial statement showed \$3,157 on hand to meet bills for the next three months. Some of Friday's bills were for new books.

Friday's discussion of new books will be recalled that Mrs. Wilson had been directed in July to spend \$500 for books. They have been ordered and most of them have been received, she said. She estimated \$4,000 has been spent on books this year but added: "Some other years we have been able to spend \$5,000 or \$6,000 on new books and that came a little nearer to meeting our needs."

A report to the board showed the library now has 26,011 books with nearly half of them donated. Since the library opened, 5,664 books, most of them for young readers, have been worn out and discarded or lost.

It was announced that the library's display for the Community Chest drive has been placed in the Automobile Club window in Lincoln Square.

President William C. Darrah presided with Mrs. Wilson and these directors in attendance: Mrs. Q. W. Hershey, Mr. Asquith, Dr. Frank Hewitson, Dr. J. Albert Blackburn, C. P. Keefe and Attorney Thomas Pyle.

The board will meet next on Friday, November 8.

PAYS FINE AND COSTS  
Roosevelt Strunk, Towson, Md., was arrested by state police Friday on charges of having improper registration plates on his car. Strunk, who is a fruit picker in Adams County, was charged with having a temporary license granted for an Oldsmobile on his Chevrolet. In default of \$10 fine and costs imposed after he pleaded guilty before Justice of the Peace John H. Basehore, he was lodged in jail. He later raised the \$15 and was released.

MILLER RITES HELD  
Funeral services for Harvey F. Miller, 77, Arendtsville, who died Thursday morning, were held this afternoon at 2 o'clock at the Bender Funeral Home with his pastor, the Rev. Robert K. Saull, officiating. Interment in the Greenmount Cemetery at Arendtsville. The pallbearers were Ernest Bushman, Ernest and Paul Hartman, Arnold Orner, Cameron Hoffmann and W. A. Raffensperger.

RED CROSS NEEDS CHAIRS  
An appeal for a dozen folding chairs for use in the Red Cross offices on Baltimore St. for meetings of the board of directors and when other similar group sessions are held was issued today by George W. Naugle, chapter chairman. Office space is too limited to make it possible to have that many regular chairs there, he said. The chapter does not have funds to buy the chairs, he added.

DRIVER ARRESTED  
Freeman Albert Haynes, New Oxford, R. 2, was placed in the Adams County jail Friday night on a charge of driving while under the influence of intoxicants brought before Justice of the Peace Claude Straley, New Oxford, by New Oxford police.

BIRTH ANNOUNCEMENTS  
At Warner Hospital  
Mr. and Mrs. Ralph Hartlaub, Littlestown, a son, today.

At Hanover Hospital  
Mr. and Mrs. Darwin Miller, 107 W. High St., New Oxford, a son, Friday.

## News Briefs

UNITED NATIONS, N.Y. (AP)—U.N. delegates were hopeful today's meeting between Secretary of State Dulles and Soviet Foreign Minister Andrei Gromyko will clear the way for Assembly action on disarmament and other key issues.

KOBE, Japan (AP)—A Japanese woman track star was barred from the national track and field championships today after doctors ruled that she was a "malformed man."

LONDON (AP)—A Soviet jet propulsion expert said today the launching of the first earth satellite means flights to the moon will be possible within a few years.

KOUNTZE, Tex. (AP)—This part of the South seceded all over again today, but without any grim overtones. The Stars and Stripes flew in memorial tribute to the boys in gray.

For 24 hours Kountze, in south Texas, proclaimed itself capital of the Confederate States. On the program were the unveiling of a monument of flowers and a rebel yell contest. Confederate uniforms will reappear in a grand review tonight.

SEATTLE (AP)—Hundreds of thousands of tons of rock towering above a main cross state highway in the Cascade Mountains broke away with but a few seconds warning yesterday and snuffed out the lives of three road workers.

HERSHEY, Pa. (AP)—The Hotel Hershey, famous Central Pennsylvania hostelry, closed its doors last night until "at least March 1," management of the Hershey Estates reported.

UPPER DARBY, Pa. (AP)—Commonwealth Secretary James Finnegan has described Governor Leader as a "liberal" because the governor "is willing to try new ideas to find better ways of doing things."

Speaking at a Democratic rally here Thursday, Finnegan said leader could in one sense also be considered a conservative.

HARRISBURG (AP)—Some 225 Central Pennsylvanians will leave by chartered plane today for a friendship visit to Europe with best wishes from President Eisenhower "for a pleasant and rewarding journey."

The friendship tour was organized in line with the Harrisburg Patriot in line with the President's people-to-people program.

"The promotion of international understanding through direct contact between peoples is a most promising development in world affairs," President Eisenhower said in a telegram to the Patriot.

WASHINGTON (AP)—U.S. scientists announced early today that they have computed an approximate orbit for the Russia earth satellite.

They predicted the baby moon will whizz over the Philadelphia vicinity about 9:40 a.m. EDT today, with succeeding orbits passing over Midwestern states about an hour and a half later and over the Pacific Coast region a little more than three hours later.

WASHINGTON (AP)—The Public Health Service said Friday a very favorable downturn continues in polio cases and especially in paralytic cases.

The number of paralytic cases reported the first nine months of this year was 1,576, less than one-third the 5,241 in the corresponding 1956 period.

PHILADELPHIA (AP)—The Orphans Court as part of its recent decision refusing to order two Negro boys admitted to Girard College Friday named 13 private citizens as trustees of the private school.

The order removed Girard College from city control and was designed to comply with a U.S. Supreme Court decision. The high court in effect had ordered the Negroes admitted to Girard College on the ground the institution was a publicly administered school. The Board of City Trusts ran the school until the Orphans Court recently removed it.

BEIRUT, Lebanon (AP)—The Lebanese International Airways announced today that Capt. Bernard T. Kuhlmer, 37, Fort Madison, Iowa, was the pilot of the airline's plane which crashed into the Mediterranean Thursday.

Kuhlmer and 30 other persons aboard were killed. The passengers included two Americans but the airline still withheld their identities.

## SAYS RUSSIANS BROKE PACT

TOYO (AP)—A Japanese scientist said today Russia "failed to live up to the spirit of the International Geophysical Year (IGY)" by launching its earth satellite without advance warning.

Dr. Masaji Miyaji, chairman of the artificial satellite committee, said, "I am not going to instruct Japanese moon watchers to track the Russian moon."

"I am not hesitating to offer congratulations to the Russian scientists for the success," Miyaji added, "but I do regret that they failed to provide advance information to us."

"Observation of an artificial moon by world scientists is significant only if they can cooperate. The Soviet Union has failed to supply us any pertinent information as to the orbit, the launching site and other details. This is against IGY understanding."

NAB TWO FOR METER THEFTS  
NEW YORK (AP)—Two men were seized Thursday night in connection with parking meter thefts that police said totaled \$150,000 worth of dimes.

Taken into custody were Giuseppe A. D'Orto, 37, of Manhattan, a merchant seaman, and Richard R. Bianculli, 26, Queens Village, Queens.

Charged with grand larceny and possession of burglary tools, they specifically were accused of stealing 3,000 dimes from 3rd Avenue parking meters. They were picked up on the avenue near 58th Street by three detectives—one dressed as a grocery delivery clerk, another posing as a panhandler, a third walking a dog.

Bianculli was described as an electrician and former dispatcher for the Broadway Maintenance Co., which services meters. When the detectives closed in, police said, Bianculli possessed a meter key and \$300 in dimes.

POWER NEEDS TO TRIPLE  
PHILADELPHIA (AP)—Prediction that America's power needs will triple by 1970 highlighted the closing Thursday of the 50th annual meeting of the Pennsylvania Electric Assn. Charles E. Oakes, president of the Pennsylvania Power and Light Co., made the forecast.

## FIRE FIGHTING METHODS TO BE DEMONSTRATED

One of the most complete demonstrations of rescue and fire fighting methods ever held in this area will be staged Sunday afternoon by area fire companies on the carnival grounds of the Pleasant Hill Fire Co., which is sponsoring the event open to the public in observance of Fire Prevention Week.

The demonstration will be held between 1 and 4:30 p.m. with more than 20 fire companies taking part. Special features planned for the demonstration will be the simulated rescue of a man trapped on the roof of the fire hall and bringing him safely to the ground by the ambulance crew of the Pleasant Hill Fire Co. This unit recently made a similar rescue of a man from a 140 foot tower at Western Maryland College, Westminster, after he had fallen from the roof to an interior platform.

The McSherrystown Fire Co. ambulance crew will demonstrate a four-victim carry and the Pleasant Hill Co. will stage a three-victim carry in the rescue and emergency truck. Ladder scaling to high roof levels will be demonstrated by the Manchester Fire Co. The Eagle Fire Co. of Hanover will have members demonstrate the aerial ladder truck and make jumps from roof to life nets.

The Pleasant Valley Fire Co. will show a front mount pumper on their truck. Lineboro Fire Co., a fog demonstration. Friendship Fire Co., Pennville, a foam demonstration.

A rescue jeep of the Maryland Forestry Department will be on display and one of the State Civil Defense rescue trucks will be displayed by York County Civil Defense officials. The Hanover Municipal Water Works will have its equipment for fire fighting and rescue work on public view.

A pumping contest will be conducted with two fire companies from that area taking part for a time record. At trials this week, the two companies have made records of less than 55 seconds from a stand start to actual pumping of water.

Other organizations taking part will be units from the Pennsylvania Forestry Department, Midway, Parkville, Grangeville, Spring Grove, Jefferson, Porters and Adams County fire companies. Approximately 5,000 firemen and friends are expected to view the demonstration planned by the host company to acquaint the general public with the various type of rescue and fire fighting equipment and the methods used by trained personnel to meet most any emergency that could occur.

## 4 PRISONERS LEAVE PERCH

NORRISTOWN, Pa. (P) — Four prisoners last night climbed down from an all-day perch on a 150-foot water tower at Graterford State Penitentiary after receiving scant attention from prison officials.

All four—confined in the maximum security section of the prison—made a break when taken to an enclosed exercise yard shortly before noon yesterday and went up the tower, apparently in protest. They gave up and came down again shortly before midnight as temperatures dropped.

Prison officials said the men made no special demands and apparently had no gripes.

### Wanted Publicity

"The whole thing was spontaneous. No reason can be found at the present time," said Col. A. T. Rundle, deputy warden, after questioning the men last night. A similar ascent to the water tower had been made by other prisoners about five years ago. The tower is about 200 feet inside the prison wall.

Prison activities continued as usual during the day, with guards paying no attention to the men.

In Harrisburg, Arthur T. Prasse, commissioner of correction, commented:

## Littlestown FATHER AND SON NIGHT MARKED BY LIONS CLUB

Father and Son Night was observed at the semimonthly dinner meeting of the Littlestown Lions Club, held on Thursday evening in the social hall of St. John's Lutheran Church, with approximately 60 persons in attendance. Two new members were welcomed into the club: Wilson P. Greene and Ralph E. Newman.

Paul Bowman, son of Mr. and Mrs. Paul M. Bowman, Prince St., and Robert Hahn, W. Myrtle St., Life Scouts of Littlestown Boy Scout Troop No. 84, who attended the National Boy Scout Jamboree the past summer, told of his experiences at the Jamboree and displayed souvenirs from there. The Jamboree took place from July 9 through July 19 at Valley Forge, and there were 20 Scouts from the Black Walnut District who attended; Scouts Bowman and Hahn from Troop 84; Plus Pautens, Nelson Freeman and Wayne Miller, from Littlestown Explorer Post No. 84.

Scouts Bowman and Hahn told of the daily activities, from the time of leaving by bus from York on July 9 until returning home on July 19; explaining the arrangement of the camp site with the Peace Light Replica serving as the official gateway for the York-Adams Area Council. The boys further explained that there were 3 different sites and each site had approximately 15,000 Scouts, causing the Jamboree to be recognized as the 15th largest city in the United States; as mealtime there were 16,000 charcoal fires going at one time. The boys told the Lions and their guests about the various special attractions in the Jamboree Arena, the religious services, contests of skill, swapping sessions, a sightseeing trip to Philadelphia, conservation and forestry demonstrations, and the closing "City of Candlelight."

### Lions Thanked

There were 2,000 volunteer firemen from 250 companies on duty at all times with the fire stations being manned at all times. There were Scouts present from all parts of the United States: Great Britain, Bahamas, Denmark, Bermuda, Peru, Australia, Brazil, Philippines, Japan, Iran, Switzerland, Venezuela, Cuba, Canada and Mexico; also 17 blind Scouts from Columbus, Ohio, were in attendance. In concluding, Scouts Bowman and Hahn thanked the club for co-sponsoring the local Scouting organization and making it possible for them to attend the Jamboree, after being selected because they had had the highest rank in Troop 84. The boys were introduced by Monroe J. Staveland, chairman of the membership committee, in charge of the evening's program.

The publicity committee, consisting of John W. LeGore, Clarence M. King and Charles H. Fissel, will arrange the program for the next meeting of the Lions on Thursday, October 17, at 7 p.m.

Assisting Mrs. Rebert as hostess will be Mrs. Nancy Bucke and Mrs. Elsie Little. The group will leave for New Oxford from the church at 6:45 p.m.

## COVINGTON IS LOSING SLEEP IN HERO'S ROLE

MILWAUKEE (P) — The role of hero for the Braves in the World Series has cost Milwaukee left-fielder Wes Covington his sleep. "I just haven't been able to stay in bed," he said last night. "The phone kept ringing until the wee small hours this morning. And telegrams? Snacks? I've gotten at least a hundred so far."

Attention began to fall on Covington, a native of Durham, N. C., after he collected four hits in eight appearances against the defending world champion New York Yankees in the first two games of the series. He turned in the top catch of the games so far when he made a backhand stab while running away from the plate to cut off a Yankee threat in the second game, won by Milwaukee. The Yankees took the first game, and the teams went into today's third meeting all even.

"Nobody Trying Harder" To get some sleep, Covington, now a resident of Milwaukee, had to pack up his family and go back to the house they recently vacated when they bought a new home.

"I got at least 30 wires from my home town," the burly left-handed hitter said. "The most gratifying came from the student body at my old Hillside High School."

"They wired congratulations and told me they hope we beat the Yankees. That's what most of the telegrams said—'Beat those Yankees.' And, brother, there's no army trying any harder than I am."

## SIDELIGHTS ON WORLD SERIES

MILWAUKEE (P) — Veteran left-hander Warren Spahn of the Milwaukee Braves suggested today there may be no returning to New York for further World Series games.

"Now that the boys have the opening day butterflies out of their systems," he said, "I wouldn't be surprised to see us wrap up the series right here. We're all confident we can take the next three right here at Milwaukee County Stadium."

Braves second baseman Red Schoendienst calls Wes Covington of the Braves and Gerry Coleman of the Yankees the outstanding performers of the World Series, so far.

"Covington's work," the baseball veteran said, "may come as a surprise to some, but not to me. Wes is big and strong. He can run, throw and has as much power as anyone in baseball."

Schoendienst hailed Coleman for his key hitting, tops in series play for the Yanks.

Tony Kubek, the Yankee's sensational rookie, is a native Milwaukeean, but he likes it in New York.

A player with Milwaukee sandlot teams four years ago, Kubek said, "It's great to be able to play here, but I'm real happy to be with the club I am, the Yankees."

Mrs. Edna Stengel, wife of the New York Yankee manager, was happy to talk about baseball, but she also wanted to discuss what she called "Casey's new bank."

The bank is in Glendale, Calif. The Stengels' winter home, and Mrs. Stengel said Casey was a director. "I'm secretary to the director," she said, then told that rank sometimes doesn't mean much.

She explained that she deposited \$5,000 to cover World Series expenses, but the checks bounced. "They gave the credit to another depositor," she said.

You'll need about half a cup of sugar when you're baking a half-dozen pears. Core and peel the pears, then sprinkle them with the sugar and add just enough water to cover the bottom of the dish; cover and bake in a moderate oven for 20 to 30 minutes or until the fruit is tender. Wonderful served quite warm with vanilla ice cream.

## FARM INCOME

(Continued From Page 1)

Cumberland, Lehigh and Bucks Counties were the others with higher income per farm than Adams. Income per acre per Adams County farm was estimated at \$84.28 on the average.

The report showed that Adams County's 2,376 farms received \$20,786,790 cash receipts from sales and received \$57,061 from government payments.

### Million For Fertilizer

Fruit brought \$6,159,100 for the county farmers; livestock, \$4,232,200; poultry and poultry products, \$3,903,700; dairy products, \$3,061,900; field crops, \$2,675,200; vegetables, \$457,300; horticultural specialties, \$255,700, and forest products, \$41,600.

According to the report, the farmers used 23,500 tons of commercial fertilizer valued at \$1,198,500 on their farms, and also used 25,000 tons of lime costing \$130,000 to help "improve their land."

A report as of February 1, 1957, showed Adams County farms to have 1,650 telephones, 2,310 electricity, 1,460 television sets, 2,000 running water, 1,420 home freezers, 800 power feed grinders, 600 milking machines, 3,200 automobiles, 1,700 motor trucks, 3,600 tractors, 480 grain combines, 560 pickup hay balers, 520 corn pickers and 110 field forage harvesters.

his rifle and repeated the order to move on.

When King again refused, he said, the soldier struck him in the left kidney with the rifle butt and knocked him down. King said he leaped up and the soldier "stuck his bayonet in my midriff, tearing my shirt but not breaking the skin."

The Army said King refused the troopers' order to move on and grabbed at one soldier's rifle. The guard shoved his weapon against King's chest and he fell down but appeared unhurt, the spokesman said.

There was no mention of a bayonet by any soldier involved, the spokesman added.

### 65 Whites Ousted

As the school week at Central High ended, authorities had suspended 9 white students—mainly for taking part in the mass walk-out of students Thursday. The demonstration admittedly fell dead because only a small part of the student body left classes.

The Army estimates cost of paying and maintaining the 9,900 guardsmen at \$95,000 a day. Cost of keeping the regular troops here obviously is much less because no additional pay is involved.

## Russia Launches

(Continued From Page 1)

satellite next spring after test shots this fall.

The announcement by Tass was spread over the front pages of Pravda and Izvestia without comment.

No comment was necessary, however, to tell the Soviet people that their leaders again had carried off a feat whose propaganda value may far outweigh its scientific contributions to IGY studies.

The Tass announcement said the Russians plan to launch several even heavier earth satellites in the next year.

### Over Moscow Today

It reported the satellite is fitted with radio transmitters sending continuous signals to earth on the 15 and 7.5-meter wave lengths. It added the signals could be received easily by amateurs.

The announcement said the satellite was appearing over Moscow this morning but gave no other points on the course.

A Moscow radio broadcast said Soviet scientific stations still are trying to determine the satellite's exact trajectory.

### Will Burn Up

The scientists were running into difficulty because the density of the rarified upper strata at the great height of 560 miles is not definitely known. They said the satellite will burn up when it settles into denser layers.

The first Tass announcement said the flight "will be observed in the rays of the rising and setting sun with the aid of the simplest optical instruments, such as binoculars and spy glasses."

## SAYS FAITH AND

(Continued From Page 1)

Women's clubs have an important place in the world, she said, "because most of us would be content to sit back and not grow if we were not urged to participate in club and organization work. And clubs should engage in money-making projects. Only by such activities can each person participate actively and thus grow personally."

She urged all of the women to "adopt the motto of the Perkasie Women's Club: 'It's a good thing to remember, a better thing to do; always stay with the instruction gang, never join the wrecking crew.'"

### 40 Attend Luncheon

Mrs. Lehmer told the 40 women at the luncheon that one of the projects of the state federation is to secure \$100,000 for a new wing for the Women's Medical College of Philadelphia. She said that if the amount can be obtained it will be matched by a federal grant.

Observing that October 24 is United Nations Day she said "We should remember that 71 per cent of the world's people go to bed hungry each night; we should recognize

## Littlestown RIDING CLUB PLANS BANQUET

Plans were discussed for the annual fall banquet of the Carroll-Adams Riding Club, Inc., at the October meeting held on Thursday evening in the clubhouse at "Sunset Hill Farm," near town. The banquet will be held in November, to be followed with a dance for the public. The date and plans for the event will be announced by the following committee on arrangements: Mrs. Clyde W. Crouse, chairman; Mrs. Wilmer Barnes, Alton Good, Charles Humes and Thomas L. Cookson Jr.

The session on Thursday was conducted by the president, Wilmer Barnes, who heard reports from Mrs. Melvin DeGroff. Two new members were enrolled, Mr. and Mrs. William Sentz, who attended as guests of Mr. and Mrs. Wilson Clapsaddle. It was announced that the members will attend the Harrisburg State Horse Show on Friday, October 25. Plans were made to go on a trail ride this Sunday, leaving at 1 p.m. from the David Little farm, near town.

The club received an invitation from Malcolm Tebbas to attend a period costume gathering on Sunday, October 13, at his property, Wakefield Farms, Windsor Rd., Baltimore. It is not known if the club will attend as a group, or as individuals in costumes. A report on a recent trial ride of the club revealed that approximately 25 horseback riders enjoyed a trail ride from the home of Mr. and Mrs. Alton Good, Twin Bridges Farms, near Gettysburg, and later returned there for refreshments. At the close of the business, refreshments were served by Mr. and Mrs. Clyde W. Crouse and Thomas L. Cookson Jr.

The next regular meeting of the Carroll-Adams Club will be held on Thursday, November 7, at "Sunset Hill Farm," when refreshments will be served by Myland Corwin, Richard Corwin and Ernest Barnes.

this as one of the world's great problems, we should reflect that we are our brothers' keeper and we should share our wealth; that others may be helped. If we give but \$5 it will feed 165 persons through the Meals for Millions program. We should seek to help, for \$5 we can have 165 of the world's hungry as our guests for a day."

Mrs. Ralph D. Wickerham was appointed as chairman of a nominating committee to report at the spring meeting. Others on the committee are Mrs. Altee Rebert and Mrs. Richard Little Jr., of Littlestown. Mrs. Robert Hall sang two selections from the "King and I," accompanied by Mrs. Little. The president, Mrs. Marvin Breighner, Littlestown presided at the meeting.

## TEN YEARS AGO

**Accident Delayed Wedding Takes Place In Hospital:** Richard Glenn Arentz, Gettysburg R. 1, and Miss Nellie Mae Brown, daughter of Mr. and Mrs. William Brown, Fayetteville, whose scheduled marriage September 27 was interrupted when Arentz fell, breaking both ankles and his back, were married Friday afternoon at 4 o'clock in the Warner Hospital where the bridegroom is a patient.

The ceremony was performed by the Rev. Louis Forging, assistant pastor of St. Francis Xavier Catholic Church here.

The wedding was postponed originally when Arentz, working on the roof of a dance pavilion in the Mont Alto State forest, slipped from a scaffolding and fell 42 feet to the dance floor. The fall occurred on the afternoon of the day before the wedding was to take place.

**Four Directors Of Recreation Are Selected:** With the election of directors and the adoption of a constitution, the Gettysburg Recreation Association came into being at a meeting Thursday evening in the engine house of nearly three score representatives of local churches, clubs, fraternal and veteran organizations.

The four directors elected Thursday evening, together with the five members of the former Gettysburg Recreation Board which operated the playground for the last several summers, form the board of directors for the new association.

The directors elected unanimously Thursday evening were Philip M. Jones, Mrs. David Blocher, William E. (Johnny) Knox and Dr. Dwight P. Putman.

**Graduates From Nursing School:** Miss Doris Anna Ramer, daughter of Mr. and Mrs. Paul B. Ramer, Buford Avenue, graduated from the Nursing School, Providence Hospital, division of Catholic University of America, Washington, D. C., at 4 o'clock Friday afternoon.

**L. M. Sheads Is Elected New 40 And 8 Head:** Lawrence M. Sheads, Chambersburg St., will head Adams County Vulture No. 371 of the Forty and Eight for the ensuing year. Sheads was elected chief of gare, which corresponds to the position of commander in an American Legion post, at the annual dinner meeting of the vulture Thursday night at Schott's Restaurant, Littlestown. Sheads succeeds Albert U. Cardenti, Gettysburg who served in the post for the past two years.

**Thomas Named To ABA Council:** Edmund W. Thomas, president of the First National Bank here, was named to the federal legislative council of the American Bankers Association at the annual convention of the ABA at Atlantic City. Mr. Thomas has also been named to the executive council of the ABA for a three year term ending in 1959.

**Harry Stoner Heads Unit On Apple Exhibit:** Harry S. Stoner, Orrtanna R. 1, was renamed chairman of the apple committee by the Adams County Fruit Growers Association Thursday evening. The committee is selected annually to make up the display of county apples placed on exhibit at the farm show.

**Dean Tilberg Makes Hole-In-One Drive:** Dean W. E. Tilberg of Gettysburg College joined the "hole-in-one" club Wednesday afternoon while playing on the Caledonia golf course.

He scored his shot on the 100-yard No. 11 hole, using a number eight iron.

**Medics Elect Dr. D. C. Stoner As New Member:** Eleven members and three guests attended the October meeting of the Adams County Medical Society Wednesday evening at the Warner Hospital. Dr. Bruce N. Wolff, president, presided.

Dr. David C. Stoner, Gettysburg, was elected to membership. Dr. Stoner graduated from Gettysburg College in 1933, and from the University of Pennsylvania Medical School in 1939. He served his internship at the U. S. Naval Hospital, Philadelphia. From 1939 to 1947 he

## Today's Talk

## A BEDTIME PRAYER

Our Heavenly Father, we come to the end of another day, and thank You for every blessing bestowed upon us. It has been good to have lived another day under Your watchful eyes, and to be given over to this restful bed for the night. Give us a clean mind and heart. Forgive us for every error, every mistake, and all our transgressions.

We ask for an increase of courage and for a kindly patience, and we pray for the humility of Christ so that we may earn peace and good will and so influence others as You, our Heavenly Father, have blessed and influenced each one of us.

Purge us of all selfishness and love of gain. May we administer to the joy and spiritual success of others. Make us all become worthy servants in Your Kingdom upon this earth. Teach us to be kindly, understanding and reverent.

Blot out the very memory of petty annoyances and worries. And for our wearied bodies grant us the peace and relaxation of sleep and pleasant dreams. Arm us against ourselves and lead us into pleasant pathways. Explain Christ to us so that we may emulate Him, and expand His Kingdom. Melt all unhappy memories from our minds and may the love of Heaven so saturate our entire consciousness that we may fall asleep with Your blessings upon us, and may Your fingers of love touch this body of ours, redeeming it, upon awakening to a day of greater and happier usefulness. In the name of our Heavenly Father, through Christ, Amen.

## Just Folks

## LIFE'S CONTRASTS

If everything we planned went right,  
And every hope that we had came true,

If every day in the year was bright  
And every sky in the heavens was blue,

How sadly monotonous life would be  
With nothing but good things here to see.

If every heart was a merry heart,  
And every face wore a kindly smile,

If never the tears were known to start,  
And grief ne'er came for a little while,

How grim and desolate life would seem;  
We'd miss the joy of a golden dream.

Ah, no! Life is best as it is, I'm sure,  
We need the clouds and the falling rain;

We need the grief that we must endure,  
We need the heartache and need the pain.

We struggle through darkness to greet the light,  
And we fight down wrong for the joy of right.

## PITT PANTHERS

## BEAT SOUTHERN CALIF. 20-14

By THE ASSOCIATED PRESS

The Pitt Panthers made it two straight victories on the Pacific Coast by whipping Southern California 20-14 last night as the third big weekend of the college football season got under way. The Panthers beat Oregon last Saturday night.

Pitt scored first and never trailed as they piled up 19 first downs to nine and a total of 270 yards from rushing to 53.

In another major Friday night game Brigham Young opened its Skyline Conference season with a 20-7 victory over Montana.

**Wilkinson Has Worries**

Today's program is topped by the Oklahoma-Iowa State game. The Sooners, N. 1 in The Associated Press weekly poll, are seeking their 42nd straight victory and would be favored by three or four touchdowns except for the fact that the flu bug has bitten many members of the team.

This is perhaps the worst team that Bud Wilkinson has sent on the field since he became head coach. His worries are not imagined. However, the Sooners' strong reserve strength figured to pull them through.

The epidemic of the flu also almost cancelled the Iowa-Washington State game. The Hawkeyes have been badly hit and it wasn't until yesterday that school authorities decided to permit the Big 10 champions to go through with the contest.

**Some Called Off**

Several games involving small schools around the nation—as well as numerous high school games—were called off because of the flu.

In the NCAA's TV game of the week, Michigan State is favored over California. This will be televised on NBC after the World Series game in Milwaukee.

Michigan State, No. 2 in the AP poll, is favored having rolled over Indiana 54-0 last week. California has lost both its starts.

**Top 10 Favored**

All the other teams in the top 10 are favored by one to three touchdowns. Minnesota, No. 3, takes on Purdue. Duke, No. 4, plays Maryland. Texas A&M, No. 5, tangles with Missouri. Navy, No. 6, clashed with North Carolina. Auburn, No. 7, entertains Chattanooga. Iowa, No. 8, is the choice over Washington State. Oregon State, No. 9, meets Northwestern and Michigan, No. 10, is host to Georgia.

Notre Dame, still a question mark, will try to make it two in a row and in the process ease the pressure on coach Terry Brennan when the Irish step out against Indiana.

Other major games include: EAST—Princeton at Columbia, Florida State at Villanova, Army at Penn State, Dartmouth at Penn State, Holy Cross, Boston University at Syracuse and Brown at Yale.

## Let's Look At The Record

By Jim Dan Hill, Ph.D.

## STATES IN REVOLT

From Whiskey Boys of '93 to Little Rock States Rights Men Have Lost Decisions

MRS. STOUTLY, from western Pennsylvania, beamingly explained she was not eligible for Daughters of American Revolution membership. But she claimed the next best membership card insofar as her state is concerned. All of her family were eligible for the Sons and Daughters of the Whiskey Rebellion.

And this raises the question as to whether there will ever be in Arkansas a Society of the Sons and Daughters of the Fausus Revolt. And why not? With the modern birth rate what it is, the Fausus family could be quite large a hundred fifty years hence.

All such societies keep archives. In some respects those from Arkansas and western Pennsylvania will be similar. Brownell's attorneys apparently cribbed not only the constitutional philosophy but also their legal terminology from Washington's corresponding order for mobilization against the Whiskey Boys of '93.

The Fausus claim that movement of federal troops into a sovereign state is a hostile invasion sounds like a distant echo from Pennsylvania.

**THE WHISKEY BOYS** actually had the better legal brief. Most precedents were in their favor. If the then recent American Revolution had settled anything, it appeared to have been the right of a state to fight for its rights.

Had not Cornwallis surrendered to National Guard regiments in Continental service at Yorktown? There is no appeal from a battlefield.

For the next seventy years some of the best legal brains of the nation supported contentions of the Whiskey Boys.

Thomas Jefferson and James Madison were talking their language when they wrote the Kentucky-Virginia Resolutions. The Union was a compact of states.

Each might take recourse to nullification of Federal enactments and decisions that encroached, these statesmen argued.

Governor Fausus has had few if any revolt ideas the ancestry of which could not be found in these resolutions.

**DAN WEBSTER** while a young attorney was a states righter and mouthed the same philosophy. It was not until a later day that, sensing changes in the attitudes of supporters back home, he became a seceder.

## WILLIAMS WINS

## IN 9TH ON TKO

WASHINGTON (AP) — Ernie (Sonny Boy) Williams having disposed of a fill-in opponent, now wants to take on the man he was supposed to fight in his debut as a main eventer.

Williams, 21-year-old Washingtonian, stopped Dave Walden of Youngstown, Ohio, on a technical knockout at 30 seconds in the ninth round of their scheduled 10-round lightweight bout at Capitol Arena last night.

Sonny Boy had been scheduled to meet ninth ranked lightweight Johnny Busso of New York. But Busso came down with a virus infection Thursday night and had to withdraw.

Walden made the most of his opportunity in the early rounds. He never had Sonny Boy in distress, but ripped the hometown boy with right uppercuts and left hooks in the infighting.

Williams, whose 139 pounds gave him a 5-pound edge, then completely outmaneuvered Walden.

Jimmy Stout is the only one who led the jockeys three times at Atlantic City. He performed the feat in 1946, 1951 and 1953.

**THE COURTS** have a pleasant habit, well designed for their own comfort, of dismissing such cases with the brush-off that it is a political question: the implication being that it can be settled only in terms of the ultimate voice of the people.

And perhaps that is the right answer. It is increasingly clean to all that both Washington, D. C., and Little Rock, Arkansas, are playing cold blooded, shirt sleeves politics with highly emotional issues.

The political gains of David Bradford, leader of the Whiskey Boys of '93 and his great opponent, Alexander Hamilton, were considerably less than zero. And it could be that is what both sides are going to get out of Little Rock.

## Bullets Breeze To 38-13 Win Over Western Maryland In Benefit Game At York

Gettysburg College outclassed Western Maryland, 38-13, before 4,000 in a benefit game for the Sertoma service club at York Friday night.

It was the final game between the two schools in a gridiron rivalry which started in 1891 during which Gettysburg won 23, lost four and tied one.

Frank Capitani, Gettysburg's ace fullback, gave a fine offensive show during the 24 minutes he saw action as he scored twice and gained 155 yards in 15 tries.

It took Gettysburg 12 minutes to get its first touchdown. Starting on their own 36, the Bullets moved down field in nine plays. Capitani was good for 40 yards running and tossed a pass to Chet Knight for 22 more. Capitani climaxed the drive when he lunged over from the one.

**Knight Grabs Fumble**  
Knight recovered a Western Maryland fumble on the Green Terrors' 35 to set up the second score. Yost picked up six through right tackle followed by Capitani's 13-yard dash through center. Greiner cut back through left tackle for four more and Capitani went 13 for the second touchdown in 14:40 of the first period.

Coach Gene Haas charitably withdrew his varsity following the second touchdown. Gettysburg scored again, in 1:20 of the second quarter when Neil Hickoff tossed to Dick Ford for 11 yards and a touchdown.

The balance of the second period was evenly fought with Western Maryland threatening at the end on some fine passing by Warren Schwartz.

Gettysburg's varsity started the second half and on the first play following the kickoff, Hickoff passed to Capitani on a play that covered 63 yards for a touchdown but the ball was called back and Gettysburg penalized five for off-sides. It took the Bullets 10 plays to score with Don Hailey scampering through right tackle for the touchdown. Capitani added the extra point on a kick.

**Yost Goes Over**  
Three minutes later the Bullets scored again as Yost knifed through tackle for five and Gettysburg's fifth touchdown. Stravolo added the extra point on a placement.

Again Coach Haas withdrew his varsity. Their one penetration into West York territory prior to that point was stalled by Cable's pass interception at the 25.

Jack Busbey, a starting end, switched into the tailback slot of the Littlestown single-wing offense to spark the last-ditch drive. Busbey reeled off end sweeps of 12 and nine yards and caught a 15-yard pass from Jesse Shelly to carry to the Bulldogs' 21. The West York line nailed the next three rushing attempts for losses to stem the charge.

Next Saturday afternoon Littlestown will attempt to get back into its winning stride when it opposes Central at York.

## Canners Host To Boiling Springs Tonight At 8

A big crowd is expected tonight when Boiling Springs meets the Bigville High riders at Bigville, the game being the lone football attraction in this area today. The kickoff will be at 8 o'clock.

Although Bud Ecker has an inexperienced squad, his team always puts up a terrific battle against the Canners and tonight's affair will probably follow the same pattern.

Bigville has two victories against an opening game tie. The Bubblers have won one while losing their last two starts.

## GIANTS, BEARS GO AFTER 1ST WINS TONIGHT

**By THE ASSOCIATED PRESS**  
The New York Giants, defending National Football League Bears, western conference winners, league victories tonight in two of three league games.

The Giants meet the Eagles at Philadelphia, the Bears tackle the Colts at Baltimore. The Cleveland Browns and Steelers play at Pittsburgh in three night games.

The Giants showed none of their vaunted offense as Cleveland beat New York Sunday 6-3 in a duel of field goals, while the Green Bay Packers edged the Bears 21-17.

The Steelers drubbed the Washington Redskins 28-7 in their opener.

**More Games Sunday**  
Three more games will be played on Sunday afternoon, with Detroit at Green Bay, Los Angeles at San Francisco and Washington at the Chicago Cardinals.

The Giants are seven point favorites over the Eagles. New York beat Philadelphia twice last fall. The Eagles dropped their opener at Los Angeles 17-13 last week. Philadelphia also lost six exhibition games.

At Baltimore, the Bears will recall their 1956 opener when the Colts pulled a 28-21 upset. Baltimore routed Detroit last week 34-14, on the throwing arm of Johnny Unitas who pitched four touchdown passes. The Bears are 5½ point favorites over the Colts.

Cleveland, which depended on two field goals by Lou Groza to down New York, must check quarterback Earl Morrall, who passed for three TD's and engineered a Browns are favored by four.

**Cards Over Redskins**  
Babe Parillo, former Kentucky star who passed for two Green Bay touchdowns last week, will match his aerials against Detroit's Bobby Layne and Tobin Roten. Layne and Roten had a rough time with the bruising Baltimore defensive line.

The Chicago Cardinals are favored by seven over Washington, with the passing of Lamar McHan and the running of Ollie Matson figured to give the Redskins headaches. That pair teamed for a 20-10 victory over San Francisco in the opener.

Quarterback Norm Van Brocklin and halfback Tom Wilson were the offensive cogs for Los Angeles against Philadelphia. The Rams are six points over the 49ers.

**Rec Touchball**  
With 45 seconds remaining in the initial quarter, Lancaster fumbled again and this time Dick Smith pounced on it on the opponents' 25-yard line. On four plays Gastley and Mann moved the piskin to the Crusaders' 11. From this point Mann went across on two plays and Bucky Washington ran the extra point to give the Squires a 20-7 first period score.

Coach Tommy Carr's outfit racked up a touchdown in each of the following stanzas. After a drive of 57 yards Bucky Washington crashed over from the one in the second frame and Jerry Eline split the uprights for the extra point.

In the third quarter it was Earl Mann climaxed a 51-yard sprint from the eight yard line off left tackle and again Eline's placement was good. The Squires tallied their last touchdown in the final frame when Mann, followed his blocking, broke loose for 41 yards down the center of the field for his third six-point of the evening. Eline's boot was high, but made its mark.

## Buhl And Turley Battle In 3rd World Series Game Today At Milwaukee; Yank Odds Slim

MILWAUKEE (AP)—Baseball-mad Milwaukeeans, many of whom had waited on long lines for hours, and even days, jammed County Stadium for the first World Series game in the city's history today to see the third game of the classic, a righthanded fireball duel between a pair of Bobbies — Buhl of the Braves and Turley of the New York Yankees.

Everything appeared to be in perfect setting for what may turn out to be the key game of the series. The Yankees remained a

His earned run average was 2.77. Buhl won 18 and lost 7, the best winning percentage on the club, walked 119 and fanned 186 in 212 innings. He wound up with a 2.80 ERA.

The Braves worked out first yesterday, occupying the field from 11 to 12:30 p.m. Manager Fred Haney did not even bother to come out on the field. Dressed in civilian clothes, he strolled around the clubhouse, talking with friends and reporters.

**Braves Revise Lineup**  
The little skipper will present a revised lineup against Turley, with the accent on left-handed hitting.

The first four batters — Red Schoendienst, Johnny Logan, Eddie Mathews and Henry Aaron — remain untouched. Wes Covington, a left-handed hitter, will move up from seventh to fifth. The newcomers will be Bob Hazle in right field and Del Rice behind the plate.

Haney at first named left-handed battery Frank Torre then apparently decided to stick with Joe Adcock at first.

**Bench Slaughter**  
Manager Casey Stengel of the Yankees also will have a lineup change. Enos Slaughter has been benched and his place in left field will be taken by the youthful Tony Kubek. The third baseman will be Jerry Lumpe, a rookie.

Casey said Kubek will bat second, Gil McDougald fifth, Harry Simpson sixth and Lumpe seventh. Otherwise the lineup and batting order will remain the same.

The Yankees, who arrived around noon yesterday, after an all-night train ride from New York, held an hour-long workout at County Stadium and agreed afterward that it was a tough park for the hitters.

## Unbeaten Delone Rolls To Easy 41-14 League Triumph Over Lancaster Catholic

The Delone Catholic Squires proved they are all set to take the Central Penn Catholic League title from the Lancaster Catholic Crusaders when they trounced the defending champions 41-14 Friday night before 4,000 fans on the McSherrytown gridiron. Delone has now won their first four outings without a loss and over a two-year span won five consecutive games.

Jack McHugh, speedy left halfback for the Crusaders, put an early 45 second scare into the Squires, when on the first play of the game from scrimmage, he dashed 65 yards on a perfectly executed end around play. Bernie Santaniello booted the placement to give the Lancaster outfit a 7-0 lead. Less than four minutes later Delone proved their power when they tallied a pair of TD's and moved out in front 13-7. After the kickoff, the Squires moved the ball on a quick 80-yard sustained drive that was climaxed by Johnny Gastley's fine broken field running and a couple of well placed blocks to make the score 7-6. Seconds later Don Weaver, Delone right halfback, recovered a Lancaster fumble on the opponents' 31 yard line. Earl Mann then moved the ball to the 25 from where Larry Hockensmith tossed a 25-yard pass into the end zone to Mike Conrad for the tally. Hockensmith ran for the extra point, which was good and Delone was out in front to stay.

## YANKEES SNUB WISCONSIN FANS AT WELCOMING

**By PAUL CLIFFORD**

MILWAUKEE (AP)—The sophisticated New York Yankees snubbed Wisconsin baseball fans who turned out to greet them yesterday but the day was saved when the chic Mrs. Casey Stengel sat down to mix a cow.

"This is strictly bush league," an unidentified member of the Yankee entourage declared.

One of the miffed fans put his feelings into words when he asserted, "Well I hope you lose—and you're going to today."

**"Well Received"**  
Manager Casey Stengel said later the team was "well received" in Wisconsin. "We had no complaints. Why should anybody else have? He added, "there's nothing wrong with what we did."

The Yanks and welcoming committee met twice. The first time at Sturdevant, about 20 miles southwest of here and the second time in Milwaukee. Mrs. Stengel emerged the diplomat in Sturdevant.

The community is the train stop from Burlington where the Yanks set up headquarters at a resort. At the Yankees special train pulled in to the station 2,000 persons crowded the depot, decked with banners declaring "Welcome Yanks."

**"Hope You Lose"**  
The band from St. Catherine High School of Racine was there. The volunteer fire department turned out and Village President Abe Kirkorian was on hand. There was also a Little League baseball team.

As the crowd pushed toward the train, the Yankees sat tight, but a representative shouted from the doorway, "Only wives and officials getting off here. The players are going on to Milwaukee."

"Can't," the spokesman said in answer to a man wearing a Kiwanis pin who had called, "Come on, send out a couple of players."

The businessman shot back "Well I hope you lose—and you're going to."

**Greeted By Whitney**  
The Little Leaguers, it was reported, were greeted by Whitney Ford who stepped out for some pictures.

Mrs. Stengel went into action when confronted by Rosie, a Guernsey cow owned by Adolph Kutzner, 71.

Despite high heels, a striped suit, and fur cape, she took her place on the milking stool, fumbled a moment, and then told the crowd:

"Someone milked this cow before I did. Then she turned over the empty bucket and added, 'There's a job all done.'"

A gallant, scrapping underdog Gettysburg High School football squad gave Chambersburg a real scare Friday night on the Trojans' gridiron before submitting to a 12-7 defeat in a bitterly waged South Penn Conference game.

A 15-yard penalty for offensive interference on a pass followed a 36-yard run by Bob Furney to Chambersburg's 44 midway in the fourth period broke the back of the Warriors in their efforts to pull the game from the fire.

Chambersburg had just regained the lead at 12-7 following an 80-yard march and Gettysburg took over on its 20 following the kickoff into the end zone in the final stanza. Furney broke through center and got to the Trojans 44 before being dropped. Furney plunged for a yard before Earl Little was trapped for a yard loss. On a pass attempt the penalty was inflicted. With a fourth down situation, Little fooled the opposition and ran to the Trojan 46 but it was short of a first down and the Trojans took over.

**Keefe Races 41**  
In the first period Chambersburg drove to the Warriors' 27 where they lost the ball on downs. Shortly afterwards Kenny Keefe broke off tackle and raced 41 yards down the sidelines to the Chambersburg 32 but the Trojans braced to take over.

Midway in the second period the Trojans took possession on their 43 via a Gettysburg punt. Bernie Washabaugh raced 22 yards to the Gettysburg 34. Jere Burns picked up two more before Darryl Stoops fired a pass to George Richardson on the 1-yard line. Richardson out-leaping two Warrior defenders to take the ball. On the next play Burns plunged over. Meminger's placement for the point was wide. The score came with 1:30 minutes left in the half.

Chambersburg received the second half kickoff and reached the Gettysburg 19 on 10 plays. Dick Scott then intercepted a pass by Stoops on the 5 and got back to the 21.

**Little Streaks 67**  
A short time later the most exciting run of the game took place when Little took Washabaugh's punt on the Gettysburg 25 and raced up the middle, then swung to his left, and streaked 67 yards before being stopped at the Chambersburg 8. The Warriors were in business then. Furney added a yard on a plunge and then Little connected on a pass to Gary Maitland at the goal line to knot the count at 6-6 with 2 minutes left in the period. Little's perfect placement sent the Warriors out in front 7-6.

Chambersburg came roaring back and drove 80 yards for the winning tally.

Sparked by a 20-yard scamper by Mike Lippy, a 15-yarder by Stoops, Chambersburg ripped through to the

# BUILDING AND FARM

## Says Pasture Best Place To Keep Brood Sows For Strong, Vigorous Litters

By FRANK S. ZETTEL  
County Farm Agent

Pasture is the best place to keep brood sows except in inclement weather during the farrowing season.

Exercise, sunshine, and nutritious pasture help sows to farrow a stronger and more vigorous litter. A clean, dry, well-bedded shelter also is essential at all times during the cooler months.

Provide plenty of water. Give the sows a well balanced feed. A good pasture will help to reduce these feed costs.

Rye (Barbora or Tetra Petkus) is the best pasture for sows during the late fall, winter, and spring. Generally September is the time to plant rye for maximum pasture yield. Use 2 to 3 bushels per acre. Wait until the rye is five to six inches high before grazing.

Spring litters will be able to graze on the rye pastures before most other pastures are ready. The earlier the sow and litter can be placed on pasture in the spring the better the pigs will develop.

An acre of good rye pasture will suffice for six sows and their litters during the spring.

**Check For Insect Infestations**  
Insects in stored grain soon can undo all the effort and expense of producing the crop. Several species of beetles and moth larvae attack stored grains and seeds and can do a lot of damage if not controlled.

Stored grain and seeds should be thoroughly examined for any insect infestation. If any insects are found prompt fumigation while temperatures are still high enough for the fumigants to be effective is advised.

Fumigants recommended are the 3 to 1 mixture of ethylene dichloride-carbon tetrachloride, or the 1 to 4 mixture of carbon disulfide and carbon tetrachloride. Dosage rates are 6 gallons for each 1,000 bushels of grain in tight, well-built bins — 8 gallons for loosely-built bins. Straight carbon disulfide may be used at the rate of 3 gallons for each 1,000 bushels in tight bins. Farmers are cautioned to follow all precautions when using carbon disulfide. Regardless of fumigant used, remove all

animals from buildings while fumigation is going on.

The above mentioned fumigants may be sold under various trade names. A mimeograph on protecting stored grain from insects is available from your local Agricultural Extension Service office.

**Cutting Ups Timber Value**  
The value of a stand of timber and the amount of money that can be obtained for it depend a good deal upon how it is cut. A little planning before cutting can raise the returns considerably.

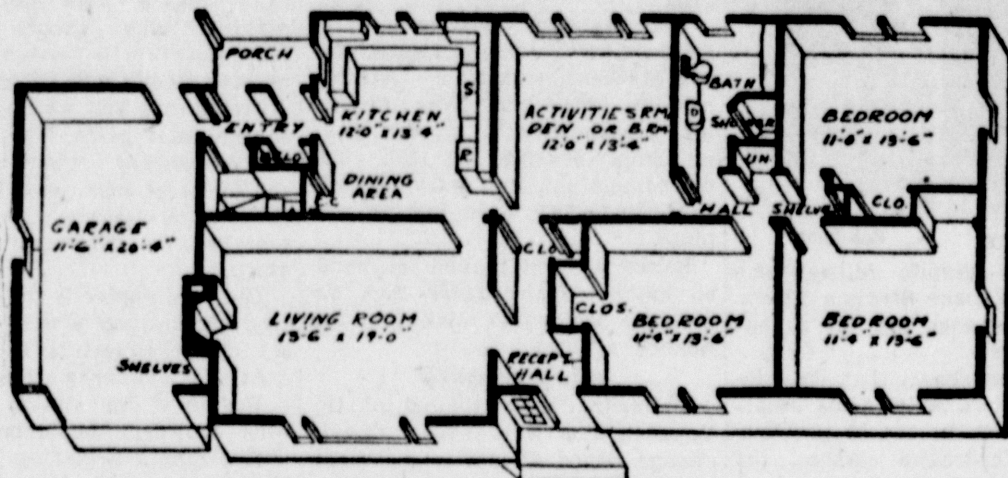

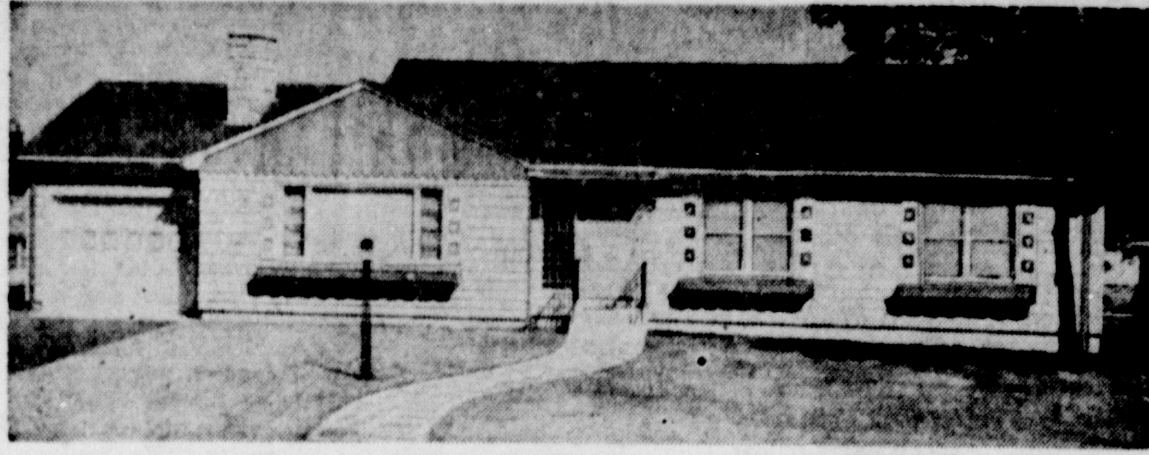

How much timber and timber quality are lost in ordinary logging operations was revealed in a study by the U. S. Department of Agriculture's Forest Service. Observations were based on 10 different logging operations. Logs from more than 200 black-oak trees were measured and graded for quality as they were actually cut by woods workers. The result were compared with the volume and grade of material that could have been cut from the same trees.

The report shows that 34 per cent of the volume of the sample trees could have been cut into high-quality logs, in contrast to the 23 per cent so cut by the local woods workers. Board-foot volume could have been increased 4 1/2 per cent by improved log cutting.

**Planned Cutting Best**  
The unplanned cutting gave a volume of 53,768 feet, compared to 56,242 feet that could have been obtained. Volume is increased when full use is made of merchantable material at the tops of trees as well as at the stumps. And both profit and quality are increased when cuts are made for maximum volume and the log lengths varied to give maximum clear lengths in certain logs and to throw knots, holes, and bud clusters into poorer logs.

The blackoak trees harvested in the Forest Service survey yielded lumber worth about \$4,100. The same trees cut for maximum volume and value could have been worth \$4,600 and increase of \$500. It is suggested timber cutters might be encouraged to cut logs for quality by offering higher pay for higher grade logs.

## "The Sue"—Ideal For Suburban Or Country Living

Rooms ..... Six  
Bedrooms ..... Three  
Closets ..... Six  
Cubage  
House ..... 26,000 ft.  
Garage ..... 6,500 ft.  
Dimensions ..... 66'6" x 26'

Today's Home of the Week, "The Sue," is designed with all the special touches that make for convenience within and beauty outside.

Inspection of the floor plan will show you how the hallways separate and give privacy to every room yet makes every room easily accessible from every part of the home. The placement of the hallways also cut down traffic through the rooms which will tend to keep them cleaner and more tidy throughout the day and evening.

**Living Room of Great Charm**  
As you step in the front door there is a vestibule with guest closet before you reach the spacious living room. The huge picture window and large fireplace in the 19' living room offer unusual decorating possibilities.

Notice that the living room has plenty of wall space to allow for easy arrangement of furniture.

Off the living room is the kitchen attractively and cleverly designed with work area in a convenient L-shape to save steps. There is an abundance of counter and cabinet space and a separate dining area away from the work area of the kitchen. Two windows overlook the backyard to give plenty of natural light.

**Three Bedrooms**  
The floor plan shows three good size bedrooms, each with large windows for adequate ventilation. In each bedroom there is a jumbo closet making storage of out-of-season clothes no problem in this modern ranch home.

The bathroom is easily accessible to all three bedrooms and is large enough for both tub and shower stall. Entrance to the handy linen closet.

closet can be either in the bathroom or in the hallway, as the homeowner desires.

**Extra Room**  
Notice the room labeled activities room, den, or bedroom. There are no end to the uses this room may be devoted to. Dining room, extra bedroom, television room — the placement of this extra room makes it ideally suited for many uses and the homemaker may redecorate it periodically to suit the needs of her immediate family. It has been designed with a small picture window but any variation of window placement desired may be substituted.

There is a direct entrance from the garage into the back entry. And the fireplace wall in the garage serves as support for storage shelves where gardening tools may be placed.

Entrance to the cellar is in the back entry, out of the way, yet easy to get to. In the cellar the heater will be placed, preferably under the living room. There will also be room in the cellar for the laundry and for a gameroom, workshop, etc.

The exterior of "The Sue," as illustrated is a combination of clapboard and natural stained wood.

Other variations are just as effective. Shingles may be used and a stone front may be substituted if the homemaker desires.

The flower boxes add a touch of elegance that gives this modern ranch home warmth and expression.

"The Sue" has six rooms and outstanding landscaping on an 80' x 100' lot.

This design is approved by the overall dimensions are 66'6" by 26'. V.A. and F.H.A. Complete blueprints and specifications of "The Sue" are available with a money back guarantee if for any reason the builder decides not to proceed with building plans.

Complete plans and specifications for this house and all other "Home of the Week" designs are available at moderate cost.

Small fry will enjoy this: Beat an egg white until it is foamy, then gradually beat in a couple of tablespoons of sugar along with a dash of salt and a quarter teaspoon of vanilla. Drop by spoonfuls on vanilla pudding and put a tiny blob of red jelly on each miniature meringue.

## The Weeders Guide

By CYNTHIA LOWRY

CHAPPAQUA, N. Y. (AP) — A skillful and professional furniture man once told me — rather sternly — that the only reason our colonial ancestors used elbow grease instead of steel wool for a fine finish on wood was because steel wool had not been invented.

This made an outside impression on me because most of us have a tendency to believe that the old ways are really the best ways. And most of us gardeners, if we can get cozy with an old-time farmer, try our level best to worm from him a secret or two.

Gardeners in other days made do with materials they had at hand. But a modern farmer, practicing his trade exactly the way his grandfather before him did, would soon go bankrupt, using a team instead of a tractor, producing his own casual seed instead of buying specially developed, high-yield varieties.

**Can Grow Better Things**  
So it is today with us weekend gardeners, who have at hand a marvelous array of gardening aids, from specially compounded fertilizers to power-driven machines, which allow us to grow better things with much greater ease.

Once upon a time, the gardener was dependent upon such materials as manure, a dug-in cover-crop of grass or legumes, wood ashes and lime to feed his crops. There's nothing the matter with any of these today for they do produce the basic food requirements for plants. But there is nothing the matter, either, with today's commercially produced fertilizers which turn the same trick, provided they are properly used.

Fall is an important feeding time for the garden and the lawn. But that doesn't mean that just any combination of nitrogen, phosphorus and potash will benefit the garden. Fall, in fact, is the time to give the soil a feeding on a slow-acting food, one which is not a tonic — that is for spring and summer — but food which will dissolve in liquid food slowly.

## Do's and Don't's

By ANDREW C. LANG

DO . . . know that contact cement is excellent for certain special jobs such as the bonding of plastic laminate to plywood, and does not require the use of clamps.

DO . . . be sure to apply the cement with a special notched metal spreader that permits an even

and not wash away uselessly with melting snow.

**Many Types Of Fertilizers**

In this age of packaging, there are literally hundreds of different types of fertilizers available under a variety of names. The gardener's task is to find out what his garden needs, and seek out the proper answer to the problem. Few old time gardeners, unless they have kept up with farm news, would be able to tell the difference between one fertilizer compounded of wood ashes, phosphate rock and sulphate of ammonia and another made of nitrate of soda, muriate of potash and superphosphate. Both would contain the same amounts of nitrogen, phosphorus and potash — yet one would dissolve very slowly and the other would reach plants quickly. The former might be ideal for fall feeding; the latter, for spring.

distribution of the adhesive. DO . . . be certain that the pieces being joined are put together accurately the first time, since they cannot be separated once they have come into contact with each other.

DON'T . . . forget that the best way to test whether the cement is dry is to touch it with a piece of brown (or other non-inlaid) paper. If any cement comes off on the paper, it isn't dry enough.

DON'T . . . allow air bubbles to come between the two pieces being bonded. This is especially necessary when putting together two large pieces of flat material, which should be gone over with a rolling pin to remove any possibility of trapped air.

DON'T . . . neglect an old principle in trying to lay one piece of stock on top of another in perfect alignment. Hold one above the other at an angle of about 45 degrees and then carefully lay it down, getting one end properly set before the other.

DON'T . . . try to rub off contact cement that may have gotten onto your hands with ordinary soap and water or it will just smear. Use a special solvent (available in hardware and paint stores) or wait until the cement is thoroughly dry; then it can be peeled off.

**STATE TO TELL OF TAX CLIMATE**

**HARRISBURG (AP)—**The State Commerce Department has begun using national newspaper and magazine advertisements to point to what it described as "the improve industrial tax climate of Pennsylvania."

William R. Davlin, commerce secretary, said the nationwide advertising program is aimed at "calling attention of business and industry leaders across the nation to the steps that have been taken to put Pennsylvania in an advantageous position for acquiring new industries."

He said the "improved tax climate" came as a result of Gov. Leader's tax policy advisory committee and the 1957 general assembly action.

The last legislature exempted, effective Jan. 1, Pennsylvania manufacturers from the 5 mill capital stock tax.

## COMMUNISTS APPEAL TO END OLD CIVIL WAR

SINGAPORE (AP)—The Malayan Communist party Friday appealed for an immediate end to the nine-year-old civil war in Malaya. It gave no indication, however, whether it would accept the government's amnesty offer.

In letters sent from inside the Thai border to foreign press services and Singapore newspapers, the Communists asked for legal recognition of "various political parties and public organizations which pledge loyalty to the Malayan fatherland."

**Have Amnesty Offer**  
The fact that the letters were

postmarked in Thailand lent credence to reports that the Communist leader, Chin Peng, is now stationed across the border.

Under the recent amnesty offer, terrorists who left the jungle and renounced communism would be returned to Malayan society. Others who surrendered would be sent to Red China.

The letters declared that the Malayan Communist party "does not seek to hide its faith in the ideals of communism."

It said the party thinks, however, that Malaya's task is to realize not communism or socialism but national independence, democratic liberties, peace and prosperity.

Sandwich filling made from chopped or mashed hard-cooked eggs will benefit from the addition of finely diced celery and green pepper along with the usual mayonnaise.

## Taneytown

TANEYTOWN — The Mile Society of Trinity Lutheran Church held its fall social Wednesday evening at 8 o'clock. The president, Mrs. Luther Luckenbaugh, led the devotion and conducted the business meeting. The Scripture was read by Mrs. A. D. Alexander and prayer by Mrs. Stanley B. Jennings.

The Brotherhood extended an invitation to the society to meet jointly in November. It will be Family Night. Those on the program committee are Mrs. Harry Dougherty, Mrs. Claude Derr, Mrs. Russell Eckard, and Mrs. Maggie Eyer.

The program included: Vocal solo, "By Redeemer's Stream," Karen Skiles, piano accompanist, Mrs. Henry Reinhold; vocal duet, "The King of Love My Shepherd Is," Miss Vesta Null and David Reinhold; piano solo, "Simplicity," Miss Peggy Kiser; vocal solo, "Prayer Perfect," David Hopkins, accompanist, Mrs. Wallace Yingling; vocal solo, "Dear Lord and Father of Mankind," Miss Jane Formwalt, accompanist, Miss Norma Willet.

TANEYTOWN — With a total sales of \$4,199.05, the magazine campaign ended at Taneytown High School Monday. Total sales and high salesmen were announced at an assembly on Tuesday morning. Final results were as follows: "Hound Dogs," \$2,669.73; "Kool Kats," \$1,529.32; high home room 12AV, \$706.88; high salesmen, Ronald Welker, second, \$153.28, and John Reever, third, \$97.75.

**Teams Active**  
Taneytown girls defeated Mt. Airy 26-7 in the first speedball game of the season played at home Friday, September 27. Mt. Airy defeated Taneytown 4-1 in the first home soccer game on Tuesday, September 24.

Walkerville was victorious over Taneytown 2-0 on Thursday, Sept. 26.

To observe a meat cutting class visited the Carroll County Agriculture Center in Westminster, Monday. Boys participating were John Angell, Ray Arrington, Jackie Bowers, William Doyle, Grant Harman, Glen Hoffman, Gene Moose, Fern Rodkey, Ronald Shriver, Billy Stonestier, Edward Chuck, Robert Devibiss, and Robert McKinney. The same group plans to attend the Frederick Fair on Friday to judge livestock.

**Plan Dance**  
The Autumn Swing, the first dance of the year, will be sponsored by the seniors on Friday evening from 8 to 11 o'clock.

The County Student Council met on Wednesday at the Board of Education office in Westminster. Local Student Council representatives were Ronald Hopkins and Frances Groshon. Marion Michea, president of the Senior Class, served as a member of the Senior Assembly Planning Committee.

Taneytown schools will be closed Thursday and Friday, October 10-11, in order that teachers may attend the Maryland State Teacher Convention in Baltimore.

A teacher-training workshop in outdoor education to be held at Camp Greentop in Frederick County, October 7-9, will be attended by Bernard Decker, Taneytown boys' physical education instructor.

## Taneytown

Plans have been announced for the annual fall carnival sponsored by the Taneytown Parent-Teacher Association November 1 and 2 with several new events featured.

A flower show, divided into two divisions, will be open to both student and public exhibitors. The first division includes the following: Class 1—arrangements of garden grown fresh cut flowers and plants; Class 2—composition of dried plant material not to exceed twenty-four inches over all; Class 3—miniature composition not to exceed three inches overall, using dried or fresh plant material; Class 4—small reproductions of a landscape of a garden to be shown in a space twenty inches by fourteen inches, using plant material, artificial animals, and other accessories.

The second division will be for potted plants and will include the following: Class 1—African violets, potted, any color; Class 2—geraniums, potted, any color; Class 3—begonias, potted any color; Class 4—any non-blooming plant or vine; Class 5—any evergreen not to exceed eighteen inches; Class 6—single bloom of any garden flower or spray. Prizes will be awarded in each class.

Entries must be made between nine o'clock and twelve noon on Friday, November 1. The committee asks the exhibitors not to remove displays before Saturday evening, November 2.

**Plan Art Exhibit**  
An art exhibit, another new feature, will be on display at the carnival. Exhibitors are requested to bring entries between nine o'clock and twelve noon on November 1. Exhibits may include any creative works such as paintings in oil, water color, pastels, charcoal, and pencil, decorated small items of furniture and trays, ceramics, tooling, and metal works. Prizes will be awarded in each of the classes. The committee has stated that donations of exhibits to the carnival would be much appreciated.

A public card party will be held Saturday afternoon, November 2, at two o'clock. Prizes for individual scores as well as several door prizes will be awarded.

The food contest this year is similar to the one held last year, with classes for home-baked prod-

## Harried Housewife Has 100 "Widows"

BALTIMORE (AP)—Mrs. Richard Thompson, a harried housewife in a suburban housing development, invaded by black widow spiders, says she may call on the Army for help.

More than 100 of the insects with the sometimes-fatal bite were found in a section of the Victory Villa development within the last week.

The Baltimore County Health Department sent residents literature on how to deal with the spiders but said the department was not equipped to handle the job itself.

**PTA To Meet**  
The first meeting of the high school PTA for the new school year will take place next Tuesday, October 8, at eight o'clock in the auditorium.

Principal Andrew Mason will speak on Educating Youth for Responsible Citizenship, the program theme for this year. Also on the program will be selections by the high school band, introduction of teachers, and installation of officers.

As in previous years, parents may visit teachers in their classrooms from seven to thirty until eight o'clock.

Mrs. Louis Michea is president of the organization and other officers are vice president, Homer Myers; secretary, Mrs. Kenneth Shorb; and treasurer, Mrs. John Hottinger.

Standing committee chairmen are: Program, Mrs. Delmar Riffle; membership, Mrs. Glenn Reever; budget and finance, Glenn Groshon; hospitality, Mrs. Ralph Stonestier; publicity, Mrs. Virginia Sanders; ways and means, Mrs. Kenneth Nusbaum; refreshments, Mrs. Edward Howarth, and indoor carnival, Mrs. Robert Clingan Jr.
